Do you understand and agree to the following:

- *Safe Families will try their best to respond to every referral request within 24 business hours. Some chapters are available outside of normal business hours. If this is an emergency request needed sooner than that please follow up with a phone call to your local chapter after submitting this request. You can find your local chapter information here: <https://safe-families.org/locations/> (<https://safe-families.org/locations/>)*
- *In certain circumstances Safe Families may be unable to support a referred family after assessment due to needs of children and/or availability of volunteers to meet the specific request. We will do everything we can to support each family you refer.*
- *If the parent is unable to communicate in English, Safe Families will try to identify a volunteer to help with translation in the parent's primary language.*
